Leonard M. Llewellyn

5/15/51—Acknowledged receipt of

20 FP-1360 *Castanea mollissima*
trees left in his office 4/10/51. Trees healed
in, then planted on farm 5/12/51, in the same location
as those planted past year; infact there were just enough
to replace those that died last year (Only 13 of the 30
set out showed signs of life this year).

Leonardtown, Md.

H. S. Knight

Castanea mollissima

Quan.	No.
120	ME
10	MF
50	MI
20	MJ
100	

Remarks:

Del. in person.

See letter 9/2/31; not yet in permanent location.

9/14/34 "I regret to say that thru causes beyond my control my plans regarding the chestnut trees referred to were defeated, and I am afraid they were handled by my tenant in a way to render them valueless for denunciation purposes." H. S. Knight.

8/6/35 Wrote for no. trees now alive.

2/27/43 Sent specimens of one remaining tree; was either ME, MF or MI; not MJ so this is a Jap variety - RBC.
