

Connecticut Opioid Settlement Advisory Committee Update

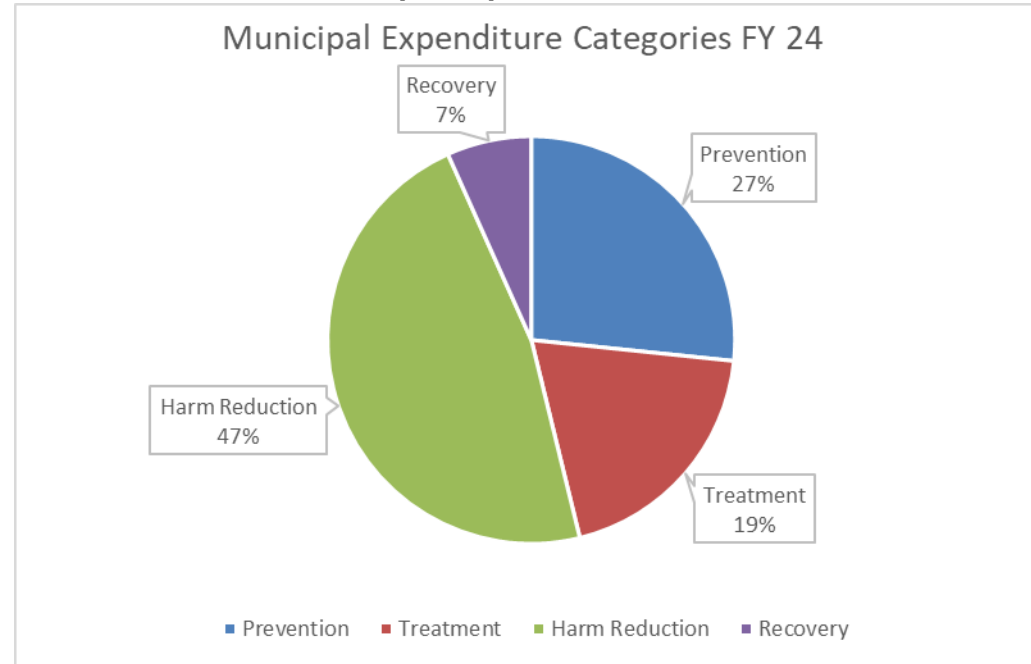

January 14, 2025

FINANCIALS

- As of January 9th, the State has received a total of \$158,299,575, with funding recommendations having passed for \$21,867,871 leaving a balance in the fund of \$136,431,704.
- Today, the Committee is considering three recommendations totaling \$67,088,085 over four years.

MUNICIPAL REPORTING

- This year we had 100% of Connecticut's municipalities report for FY24 as required by PA 23-92
- The proceeds reported as received by the municipalities from July 1, 2023 through June 30, 2024 total \$11,846,811.51, with \$2,447,622.67 expended during that timeframe. The remaining balance of all municipal proceeds received thus far is \$14,878,614.55.

MUNICIPAL REPORTING

- Examples of items and trends reported by municipalities include:
 - Collaboration between many towns and departments (police, fire, EMS, local health departments, human services and schools)
 - Provided Naloxone and Leave Behind Kits to First Responders and the Public
 - Training and Education, especially in Youth and Family prevention and Naloxone administration
 - Use of Exhibit E, a list of opioid remediation uses from the Final Distributor Settlement Agreement and/or the Connecticut Opioid Response (CORE) Report to guide decision making
- The report, with each municipalities' information, was emailed to OSAC members and will be available on the website.
