## **REMAND ORDER**

The Claimant filed an appeal on December 20, 2021, from the December 2, 2021 ruling by the Administrative Law Judge acting for the Sixth District, granting the “Respondent’s Objection to New Evidence and Motion to Strike” dated November 16, 2021. It appears that no record was created upon which the Board can reach a determination on the issues presented in this appeal. Due process requires an evidentiary hearing where a record can be created. The Compensation Review Board cannot properly review or consider this appeal under General Statutes Section 31-301 (a).

This matter is therefore remanded to the Administrative Law Judge acting for the Sixth District for a Formal hearing or other appropriate action. See Young v. North American Family Institute, 6350 CRB-5-19-10 (October 8, 2019).
